AMIGOS TOGETHER FOR KIDS

The SPEAKER pro tempore (Mr. PENCE). Under a previous order of the House, the gentlewoman from Florida (Ms. ROS-LEHTINEN) is recognized for 5 minutes.

Ms. ROS-LEHTINEN. Mr. Speaker, one of the most special aspects of our everyday lives is to be blessed with true friends. Amigos Together for Kids is an organization that has been in existence since 1991, and under the direction of Jorge Plasencia serves the needs of south Florida's forgotten children, those who are abused, neglected and abandoned.

Now celebrating its 10th anniversary, Amigos has many friends who have committed their energies toward the success of its programs, including Roxana Fernandez, Mirta Fuentes, Paul Hanson, Victoria Rodriguez, Daniel Rodriguez-Cuesta and Jorge Rouco, to name just a few.

The Amigos programs include Amigos Doctors for Kids, Children Helping Children, The Birthday Club, The Holiday Toy Drive, The Back-to-School Drive, and a new and ambitious program to serve adolescents in our area in south Florida.

Congratulations, Amigos Together for Kids. You are definitely fulfilling your mission of making south Florida's less fortunate young people feel truly loved. We really appreciate your dedication to our community's future, our children.

OPPOSE FAST TRACK
LEGISLATION

The SPEAKER pro tempore. Under a previous order of the House, the gentleman from Massachusetts (Mr. LYNCH) is recognized for 5 minutes.

Mr. LYNCH. Mr. Speaker, I rise again in opposition to the so-called Fast Track legislation that will be debated in this House over the next 2 days. I do so for several reasons.

Firstly, because Fast Track contradicts the clear requirement of the United States Constitution, which vests the responsibility in this body, in the House of Representatives, to regulate trade with foreign nations. It also vests the power in the Congress to make any necessary laws for the exercise of that authority.

Secondly, I oppose Fast Track because it requires that these negotiations, very detailed, complicated negotiations, with great impact for not only our generation but those to come, it requires that these negotiations occur in secret; not in open debate on the floor of the House, but in secret.

I also oppose Fast Track because of our own past experience. We have seen what Fast Track has brought us, and we have been shown that it is a poor way to conduct, establish, and implement trade policy.

We have seen what it has done for workers, both in the United States and Mexico, through the example of NAFTA. We see now multinational corporations, General Motors, closing down plants in the U.S. and moving them over the border into Mexico, where our own auto workers are now forced to compete with auto workers in Mexico making 67 cents an hour. That is what Fast Track has brought us.

We have seen what it has brought to our environment, where corporations are continuing to seek to escape, avoid and evade responsible environmental standards in this country in order to go to other countries and to make a profit, make a profit by avoiding responsible environmental behavior.
